

FREE TO ATTEND

# Waste SUMMIT

Brought to you by Volvo Trucks

Featuring keynote presentations, case studies, panel sessions and white paper discussions, the Waste Summit provides an opportunity for attendees to learn from industry peers and stay informed across areas including policy, legislation, circular economy, waste to energy, solid waste management, new technologies and advancements.

## Why attend Waste Expo Australia?

- Source** products and services from leading waste and resource recovery suppliers
- Learn** from industry experts at the Waste Summit Conference
- Network** with peers, exchange ideas and expand your business connections
- Benefit** from the co-location with All-Energy Australia
